Exhibitors' preferences are not binding for the organization and the booth positioning will be assigned according to availability. Application forms are valid only if duly completed and signed. By signing the application form, you accept the rules set forth in the attached regulations. The supply of technical services (such as power supply, water connection etc.) is to be specifically requested and involves additional fees to be paid later on. Data appearing on this application form are needed for communications with the exhibiting company and to issue the invoice. If billing details are different from those appearing on this application form, please provide company name and billing details of your company.

Date and Place Stamp and Signature
